## 20-23 May, 2024 Darwin

# Turf Australia Conference

## SUSTAINABLE TURF FARMING

Mark your calendars for this exciting gathering of turf enthusiasts, where green meets innovation, and grassy dreams take root. This Conference promises insights, networking, and a chance to explore the latest trends in the world of turf production and management, all with a **focus on sustainability**. **Educational and family-friendly**.

- **Day 1 - Monday 20: Family Day**  
Berry Springs: fishing, lunch, swimming, tour
- **Day 2 - Tuesday 21: Conference**  
George Brown Darwin Botanic Gardens
- **Day 3 - Wednesday 22: Field Trip**  
NT Turf (Gavin and Lauren Howie)
- **Day 4 - Thursday 23: TA AGM & Board Meeting**

Our Conference venue is the magnificent George Brown Darwin Botanic Gardens, renowned for their diverse collection of Northern Australian and Tropical Species.

Our Conference will let you see first-hand how our NT turf mates manage the tough conditions and still produce premium turf, and learn from the different agriculture management processes that must occur in order for growers to be productive.
