doesn't cut it...

One conversation at the right time with the right person
can change everything.

Rural Aid provides free emotional and mental health support to people living and working in rural and remote communities.

**Our counsellors
are really good
listeners too!**

We offer short term or formal counselling conversations and practical help to work with you through difficult times.

We can talk on the phone or visit farmers on their properties, meaning our counsellors are more than happy to have a cuppa and a yarn.

If you are a farmer, a farming family or you know of someone who is experiencing stress from drought, fires, floods, agri-stress, relationships, farm life in general or any other hardship impacting on your/their wellbeing, contact us for confidential support.
